

**JUNIOR LEAGUE OF
COBB-MARIETTA**

Women building better communities

Done in a Day Volunteer Request Form

Done in a Day (DIAD) Projects are large-scale volunteer projects which enables the League to assist community agencies which do not have a need for League volunteers on an ongoing basis, but may have a need to staff a one or two day special event or have a one-time need for extra volunteers. All DIAD volunteer requests must be for community-based, hands on opportunities. JLCM requests advance notice of four to six weeks before an event, if possible. Thank you for considering the Junior League of Cobb-Marietta as a source for dedicated, community minded volunteers. Any non-profit organization in the Cobb-Marietta area is eligible for application.
